

Maintenance Technician - Millwright Journeyperson

Who we are. Mercer Peace River Pulp is an integral part of the Canadian forest products industry, providing the northwest Alberta region with approximately 300 jobs while sustainably managing the forests. A career at Mercer Peace River offers an opportunity for growth, meaningful work, and a collaborative learning environment. Throughout your career, you will be supported by a team of skilled professionals and provided a self-motivating environment to make your goals achievable.

What we believe. We believe that a culture of diversity and inclusion is critical in making the best decisions for our people and achieving sustainable business success. Together, we encourage, support, and celebrate the diverse voices of our team members. We strive to provide an inclusive culture by fostering an environment of mutual respect and fairness and providing opportunities to contribute and grow.

Our Acknowledgment. We recognize and honor the traditional lands and territories of the Indigenous peoples who have cared for these lands since the time immemorial. We are situated on Treaty 8 territory, which is also the historic regional homeland of the Metis, including the Peace River Territory, the Lesser Slave Lake Territory, and the Lower Athabasca Territory.

We acknowledge and respect the rich histories, languages, and diverse cultures of the First Nations, Metis and all Indigenous peoples who have been stewards of this land. We express our gratitude for their enduring contributions, which continue to strengthen and enrich our communities today.
