Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ On the payable date of December 28, 2023, the Issuer made a cash distribution of \$0.075 per share of record as of December 20, 2023.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ _____

The quantitative effect of the cash distribution on the shareholder's basis cannot be determined at this point since such effect depends on the Issuer's calculation of current and accumulated earnings & profits. Current earnings & profits are calculated on a full calendar year basis and information is not available to calculate earnings & profits until after the close of the year.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ _____

The reduction in basis of each share is that portion of the distribution per share which is not a taxable dividend and is based on the Issuer's calculation of current and accumulated earnings & profits. Current earnings & profits are calculated on a full calendar basis, and information is not available to calculate earnings & profits until after the close of the calendar year.
